

New!! from MARSHLANDS CANADA

Thermal Sherpa Bonded Jacket

Only **\$34.50** each
(SM-XXL)

Charcoal grey full-zip, with matching lace drawstring in the hood. Waffle-weave textured outer shell is a 80% cotton, 20% polyester thermal fabric. The inside is a luxurious 100% polyester Sherpa plaid fleece bonded to the outer shell. A mixture of raw-edge and double needle stitching cover seams throughout, give this garment a unique and stylish look.

Front has silver "Canada" embroidered in old english style script.

Available for advance order: Order now for delivery in April, 2011.
